## Headliner:

Big Al Goodwin

As seen on Comedy Central A high-energy comedian who believes in a strong punchline and strives to ensure the audience has fun. If you are ready for high energy fun you are ready for Big Al. He doesn't have to use profanity to have you falling out of your seat with laughter. Put simply, he's a high-energy comedian who believes in a strong punchline and strives to ensure the audience has fun.

His clean and clever outlook on today's topics make him one of our most sought after corporate comics.

Big Al has appeared on PBS, commercials for Microsoft, "America's Funniest People" and has opened for Carrot Top, Ray Romano, Margaret Cho, and Jon Stewart as well as being a regular on the club circuit.

## Feature act:

Brian Kerns has a unique outspoken voice. Somehow balancing his charming wit with an irreverent viewpoint, Brian's humor has been well received in clubs all across the U.S. He has spent time in LA honing his craft at clubs including the Comedy Store, Hollywood Improv and Laugh Factory. He was a judges' selection in NBC's *Last Comic Standing*, appeared on the Peoples Court and was in the audience of the Price is Right. His unparalleled insight into life is both entertaining and memorable. His random thoughts will keep any crowd rolling..

Opening act ... Corey Hunter

A comedian with dead pan delivery and crisp jokes. Corey jokes about the absurd in everyday life.
